# Damrosch Leads American Programme Daily Calendar

### Chadwick, MacDowell, Carpenter, Loeffler, Griffes, Powell and Damrosch Represented.

It was evidently Mr. Damrosch's design to give examples of the craft of as many American composers as possible, and therefore his programme was almost "a thing of shreds and patches."

A more satisfying effect wight have

been obtained by the performance of two movements from John Alden Carpenter's

The selections were well chosen, but doubtless many would have been glad to sacrifice something else in order to hear again the whole of Mr. Carpenter's captivating portraits of bebyhood. This captivating portraits of babyhood. This suite belongs to two of the seven arts, for its programme is a piece of delicious literature. And this grand old baby.

dies and other important factors in the great struggle of existence, is one of the best creations of American fancy.

Or, perhaps, others would have preferred to hear all of Mr. MacDowell's suite, which some of his admirers regard as his best work. It wears fairly well. The two movements heard yesterday have loss rope of their quality of And Charles Mar imusical suggestion. And Charles Mar-tin Loeffler's devil cavorts as gaily as ever. But the programme left the im-pression that the foreigners had the best of it. Perhaps this might not have been the case if a more substantial list had been offered. But there are so many

outcry that there is discrimination against native talent.

Mr. Damrosch might have left himself out. Why should he? It was his orchestra and his concert, and what is no chestra and his concert, and what is no concert, and what is no concert. more, his music was good. This is no more, his music was good. This is no false modesty. The programme age for false modesty. The private was well presented and the seemed to be pleased, althou

000 to Relieve Stricken.

Gov. Nathan L. Miller gave his approval yesterlay of the campaign of the American Committee for Relief in Ireland to raise \$10,240,000. In a letter to

to Mount Lincoln.

He found a streak of golden grit. Yet people said of his success

that the matter would end there it parcel post from that of ordinary mail. As in a fairy tale, the wizard wand, night,
Displaying lacy trees outlined in white.

# "He Don't" Has Friends.

To THE NEW YORK HERALD: Certainly the authority of great scholarship.

The locution "he don't" is a survival Minneapolis, Minn., March 5. Good times or bad, fair weather or foul, there are always persons anxious.

Good times or bad, fair weather or foul, there are always persons anxious.

English is highly variant in the small "he do" or "he do not." Somewhat later

noons and evenings be given up to and rider. Major Statist Keen of what points these have been diverted oring forth a creature more contempting to see owner of new troops from other fronts.
